

Beyond

Activities and clubs planner Trinity term 2017-18

A wide range of clubs, societies, visits, expeditions, and more, are available. We hope this listing, together with the description of each activity in the Beyond publication, will inspire the girls and help them plan enjoyable and interesting activities beyond the classroom.

The listing is correct at the time of publication. The extracurricular programme continues to develop and grow; the latest versions of Beyond and this planner are available on the School website at www.shsk.org.uk.
