Dear Parents

### **A-level Physical Education video consent for examinations**

Under the new Joint Council for Qualifications (JCQ) regulations, the School now needs to obtain informed consent from parents at the beginning of the A-level Physical Education course, as videos of candidates will be included as evidence of participation or contribution.

During the A-level Physical Education course your daughter will be assessed in one practical area and the video footage will be sent to the examination board, OCR. I am therefore writing to ask you to confirm your consent for the School to process videos for the purpose of fulfilling the requirements of the examination.

Copies of videos will be stored securely in school for the duration of the examination period.

Further information can be found on the [examination board website](#).

To give consent, please complete the [electronic response form](#) by Monday 29 October.

Please do not hesitate to email me with any questions you may have.

Yours faithfully

Mrs Lynn Trumper  
Acting Director of PE and Sport
