Dear Parents

### **Public examination contingency date 2019**

The School is still awaiting confirmation of certain dates for the public examinations in the summer of 2019 but wanted to make you aware of one change that the Joint Council for Qualifications (JCQ) have brought in for future examinations.

For the first time a national contingency examination day has been arranged for I/GCSE and GCE (A/AS-level) examinations 'should sustained national or local disruption arise during the examination series' and therefore any examinations need to be rearranged.

The date that has been set aside as the contingency day is Wednesday 26 June 2019. This means that all examination candidates must be available to sit examinations on Wednesday 26 June as well as for their timetabled examination dates. This is not a school decision and applies to all candidates in all schools.

Yours faithfully

Mr Clive Morris  
Director of Studies
