Dear Parents

Upper Sixth Extended Project Qualification (EPQ) Presentation Evening

As we know you are aware, your daughter is studying the EPQ. The assessment of the EPQ involves a presentation. Wednesday 7 November is the assessment evening for this qualification and as such your daughter's attendance is required.

Students will be presenting their findings to an assembled audience of senior staff, fellow students and parents across six different venues in the School. They will be formally assessed both on their presentation and response to audience questions. We hope that it will be an excellent opportunity for you to support them with these questions, experience the wide range of projects undertaken and also celebrate your daughter's and her peers' successful completion of their challenging independent research.

The evening runs from 6–8.30pm, with presentations starting at 6.30pm and refreshments will be available at 6pm.

I would be grateful if you could complete the [electronic response form](#) by Friday 12 October to indicate whether you will be attending in support of your daughter. Please note that if you are not attending your daughter will need to make arrangements to travel home at 8.30pm.

Yours faithfully

Dr R Strong
EPQ coordinator
