Abingdon Fair

The annual Abingdon Michaelmas Fair is on Monday 8 and Tuesday 9 October, and the closure of Abingdon town centre and Ock Street may cause some traffic disruption.

Bhaktivedanta Manor

Every year our Year 7 students are welcomed by the residents and staff of Bhaktivedanta Manor in Watford. There they learn about the Hindu faith, ethical farming and cow protection at the Bhaktivedanta farm. Sadly, a fire completely destroyed the hay barn at the Goshala (farm) at the weekend. No one was harmed and the cows are all safe but the building and its content have been lost. We have asked students in Year 8 (who visited the Manor last year) and students in Year 7 (who will be going in November) if they would like to support

the rebuilding of the hay barn by giving up one cookie between now and half-term and donating the money instead. This is not compulsory and anyone other than students in those year groups who wish to donate can hand the money to a member of the RPE Department at any time before half-term. We will be presenting our donation to Bhaktivedanta Manor when we visit in November.
