Dear Parents

**Personal effects insurance – personal medical insurance and school fees refund insurance**

If you previously purchased cover through Marsh please be aware that this cover has now ceased and you are now uninsured.

I wrote to you at the end of the last academic year advising that with effect from Saturday 1 September 2018 we will no longer be administering the subject financial products which you have previously contracted for with Marsh and paid for via an additional item on your school bill. Instead, these products will now be available via our main school insurance broker SFS Ltd by using the appropriate link below.

If you wish to take out any of these insurances, please subscribe with SFS who will bill you directly. Claims handling and other administration will be between you and SFS.

Please note, the School continues to provide the Personal Accident insurance scheme which is included in the school fee and no action needs to be taken in respect of this service.

We are not permitted to offer advice in relation to financial service products and wish to point out that other insurance providers are able to provide similar products.

In closing, I draw your attention to an additional insurance product the School Fees Insurance, which pays fees directly to the School should you or your spouse become terminally ill or die whilst your daughter is in school. Again, no advice is offered in relation to this scheme, details of which can be found below:

I trust the above is clear but should you have any questions please do not hesitate to get in touch with me at the Bursary.

Yours faithfully
