Dear Parents

Lower Sixth charity parkrun

The Lower Sixth charity representative team have organised a sponsored 5k run to raise money for our school charity, Mercy Ships. The run is an externally organised event, the Abingdon parkrun, and the idea is for students to meet at the event and run at their own pace around the set course. We have, of course, contacted the organisers to ensure that it is alright for us to do this. Lower Sixth students will already be aware of this event from their Facebook group.

The date of our run is Saturday 9 June and we plan to meet at 8.45am at Rye Meadow for a 9am start. Rye Meadow is to the south of Abingdon on Bridge Street; parking is available at Rye Farm car park, OX14 3HP.

If students would like to run in the event, they need to register on the [parkrun website](#), and print off their own barcode. A copy of the barcode should then be handed to Mrs Homann before Monday 4 June. Please note that students cannot take part if they don't have a barcode. Students also need to organise their own travel arrangements there and back – Mrs Homann will be there to supervise from 8.45–9.45am.

The aim of the event is to raise money for Mercy Ships, so any donations would be greatly appreciated; [St Helen and St Katharine Just Giving page for Mercy Ships](#).

It is really important that the school holds the very latest medical, dietary and parental contact information on all our students, especially for any external school visits. So if there are any amendments or additions, do please let the School know. Thank you.

Yours faithfully

Katy Haynes and Ellie Kenrick (charity prefects)
