Dear Parents

Psychology trip to Bristol Zoo

We would like to take our Lower Sixth psychology students to Bristol Zoo on Thursday 21 June in order to develop their understanding of observation and data analysis skills, which is part of the research method specification. They will take part in a student-led behaviour study involving categorisation, the analysis of results, evaluation and will then present their study to peers in a feedback session.

We aim to leave school by coach at 8.30am and return by 6pm. We will provide a packed lunch and there is a café where drinks and snacks may be purchased if required. She will need writing equipment and a notepad on the day.

The total cost of the day will be approximately £26, which will include the coach journey, entrance fee and educational programme. The cost of this will be added to the school bill.

It is really important that we hold the very latest medical or dietary information on all our students, especially for any external school visits. So if there are any amendments or additions, do please let us know. Thank you.

Yours faithfully

Mrs Kay Collett
Head of Psychology
